

Local Route

Pandemic Safety Protocol

Driver Health

1. Drivers **MUST** take temperatures everyday before every route; a temperature reading of **100.4 is considered a fever and the driver must immediately call and report fever to school administration and a substitute driver will be used.**

Seating

1. Students are to be seated in family groupings at least 6' apart.
2. Students that are unable to be properly social distanced it is **highly recommended that mask be worn.**
3. Accurate seating chart will be maintained.
4. Hand sanitizer stations will be at the front of the vehicle and all students must use hand sanitizer when they enter and leave the vehicle.

Dismissing from the Bus/Van

1. Students will stay seated until driver dismisses them; students will be dismissed starting with students in the front and in family groups.
2. Students should be entering school before next group is dismissed.

Disinfecting Bus

1. After both morning and afternoon routes: entire interior of vehicle must be disinfected thoroughly.
2. Disinfecting bottle and paper towels will be supplied in each vehicle. After a thorough cleaning of the interior the trash from vehicle and used paper towels should be discarded in outside dumpster.
